DEPOSITION OF SENATOR RALPH E. HISE, JR.

VOLUME II

TUESDAY, SEPTEMBER 17, 2024

9:03 A.M. to 6:53 P.M.

Taken by the Plaintiffs at:

Nelson Mullins Riley & Scarborough, LLP  
301 Hillsborough Street, Suite 1400  
Raleigh, North Carolina 27603

Reported by: Sophie Brock, RPR, RMR, RDR, CRR

1 Q. Let's go to the next exhibit, which is map  
2 5A, and we'll label this Exhibit 32.

3 (Exhibit No. 32 was marked for identification.)

4 BY MS. HARRIS KLEIN:

5 Q. So this -- I'll represent this map was  
6 generated by inputting a shapefile produced by your  
7 counsel --

8 A. Okay.

9 Q. -- into a program called DRA. And it's  
10 labeled CBK-2.

11 A. Okay.

12 Q. And you can see the top is the timestamp:  
13 1:19.47 on September 22nd --

14 MR. STRACH: Is "DRA" Dave's  
15 Redistricting App?

16 MS. HARRIS KLEIN: Dave's Redistricting  
17 App, yeah, just plugged in. I'll just represent that.

18 BY MS. HARRIS KLEIN:

19 Q. So, now, this one goes back to including more  
20 of Pitt County; correct?

21 A. More of Pitt County than?

22 Q. The last map we looked at.

23 A. Into the Blue congressional district compared  
24 to what was 1 previously?

25 Q. Correct. So the Blue district, which is

1 keeping one of the non-Charlotte municipalities whole  
2 and getting a better political percentage, which  
3 one --

4 A. If it were towards keeping a full -- not  
5 dividing a municipality, not dividing a VTD, we would  
6 try to get the political -- historic political  
7 performance as high as we could on the races we  
8 selected without violating -- without splitting a VTD  
9 or a municipal boundary.

10 Q. Did you work with anybody who's familiar with  
11 the Mecklenburg area when you drafted this part of the  
12 senate map?

13 A. Senator Newton would be the chair that is  
14 closest to the Mecklenburg area. Has the part of  
15 "Sweet Union," as he says, that is part of that. But  
16 he does not reside in Mecklenburg County.

17 Q. Without telling me any communications that  
18 he's told to you, what is your general understanding  
19 of his familiarity with the area?

20 A. As residing in a neighboring county, not as a  
21 legislator who interacts with their elected officials  
22 or runs for office within the county.

23 Q. Let's go to the next exhibit. This will be  
24 marked Exhibit 44.

25 (Exhibit No. 44 was marked for identification.)

1 BY MS. HARRIS KLEIN:

2 Q. And that's Map 23.

3 A. Okay.

4 Q. This was also produced by your counsel. It's  
5 titled SCC-1, and it's timestamped 10/2/2023.

6 So 7 and 8 is essentially the same; right?

7 A. With the exception of the area that is carved  
8 out of New Hanover County, I would say yes. I know  
9 I'm looking at different scales of maps, as well, but  
10 it appears to be broader in Exhibit 4 and more narrow  
11 in Exhibit 44.

12 Q. Okay. I'm actually going to add a page to  
13 this exhibit. It will be marked within the same  
14 exhibit. It's Map 23C. And I'm just going to have  
15 you put it on the end of that. And I'll just  
16 represent that this is -- so if you just make sure  
17 that's included with that exhibit. It's a zoom-in.

18 And I'll just represent that this is -- we  
19 uploaded the shapefile for SCC-1, and then we just  
20 zoomed into the Mecklenburg County, basically.

21 A. And it appears there's a heat map that wasn't  
22 part of our system, as well.

23 Q. Yeah, on the other side, there's a heat map  
24 we added that's BVAP. That's right.

25 A. So this was produced by you?

1 Q. Yes. So we took a shapefile that your  
2 counsel gave us, and we just put it into the Dave's  
3 Redistricting App, and then we just took pictures.

4 So I'm not making any representations that  
5 you looked at this during the process in the way it's  
6 presented here, if that makes sense. Just using it  
7 for demonstrative purposes here.

8 A. Okay.

9 Q. So if we look at the zoom-in and look at the  
10 heat map -- the heat map is again BVAP shading --  
11 you'll agree that District 42 is almost exclusively  
12 White districts; right?

13 A. Exclusively?

14 Q. The heat map on the other side.

15 A. So there was no minority population in those  
16 districts?

17 Q. Almost exclusively.

18 A. I don't know what the different shades  
19 represent in percentages, but if there was a similar  
20 area of Charlotte that was almost -- there are clearly  
21 some grays that fall into District -- darker-shaded  
22 areas that fall into District 42.

23 Q. How does 42 -- just making the assumption  
24 that darker shade means higher BVAP, how does 42  
25 compare to its neighbors 40 and 39?

1 for me.

2 Q. Let's look at the next exhibit. This will be  
3 Exhibit 45. It will be Map 24.

4 (Exhibit No. 45 was marked for identification.)

5 THE WITNESS: Finished with these?

6 BY MS. HARRIS KLEIN:

7 Q. Yes. And if you could make sure to keep that  
8 last map included with that. Thank you.

9 And I'm also going to add on to the end of  
10 this exhibit.

11 So I'm going to represent that this was  
12 produced by your counsel. It's titled STU-1. And the  
13 timestamp is 10/5/2023; so it's a few days later than  
14 the map that we just looked at.

15 But does it look like this is a continuation  
16 of the map we just looked at?

17 A. It has similar poddings. When the edits  
18 would have been done, I don't -- it was printed  
19 afterwards.

20 Q. Any reason to think it wasn't a continuation  
21 of it?

22 A. We -- different chairs, myself and others,  
23 would start and stop or return to the base map on a  
24 regular basis. So I couldn't delineate the timeline  
25 if we had done that and came back to this map or if

1 we'd started with the previous map and got to this  
2 map.

3 Q. You just don't remember?

4 A. Nn-hnn.

5 (Exhibit No. 46 was marked for identification.)

6 BY MS. HARRIS KLEIN:

7 Q. All right. Marked as Exhibit 46 is a zoom-in  
8 again of the Mecklenburg area, and it was generated  
9 the same way as before: We took a shapefile that was  
10 produced by your counsel; we put it into Dave's  
11 Redistricting App; and then we took screenshots, just  
12 for demonstrative purposes here.

13 A. Okay.

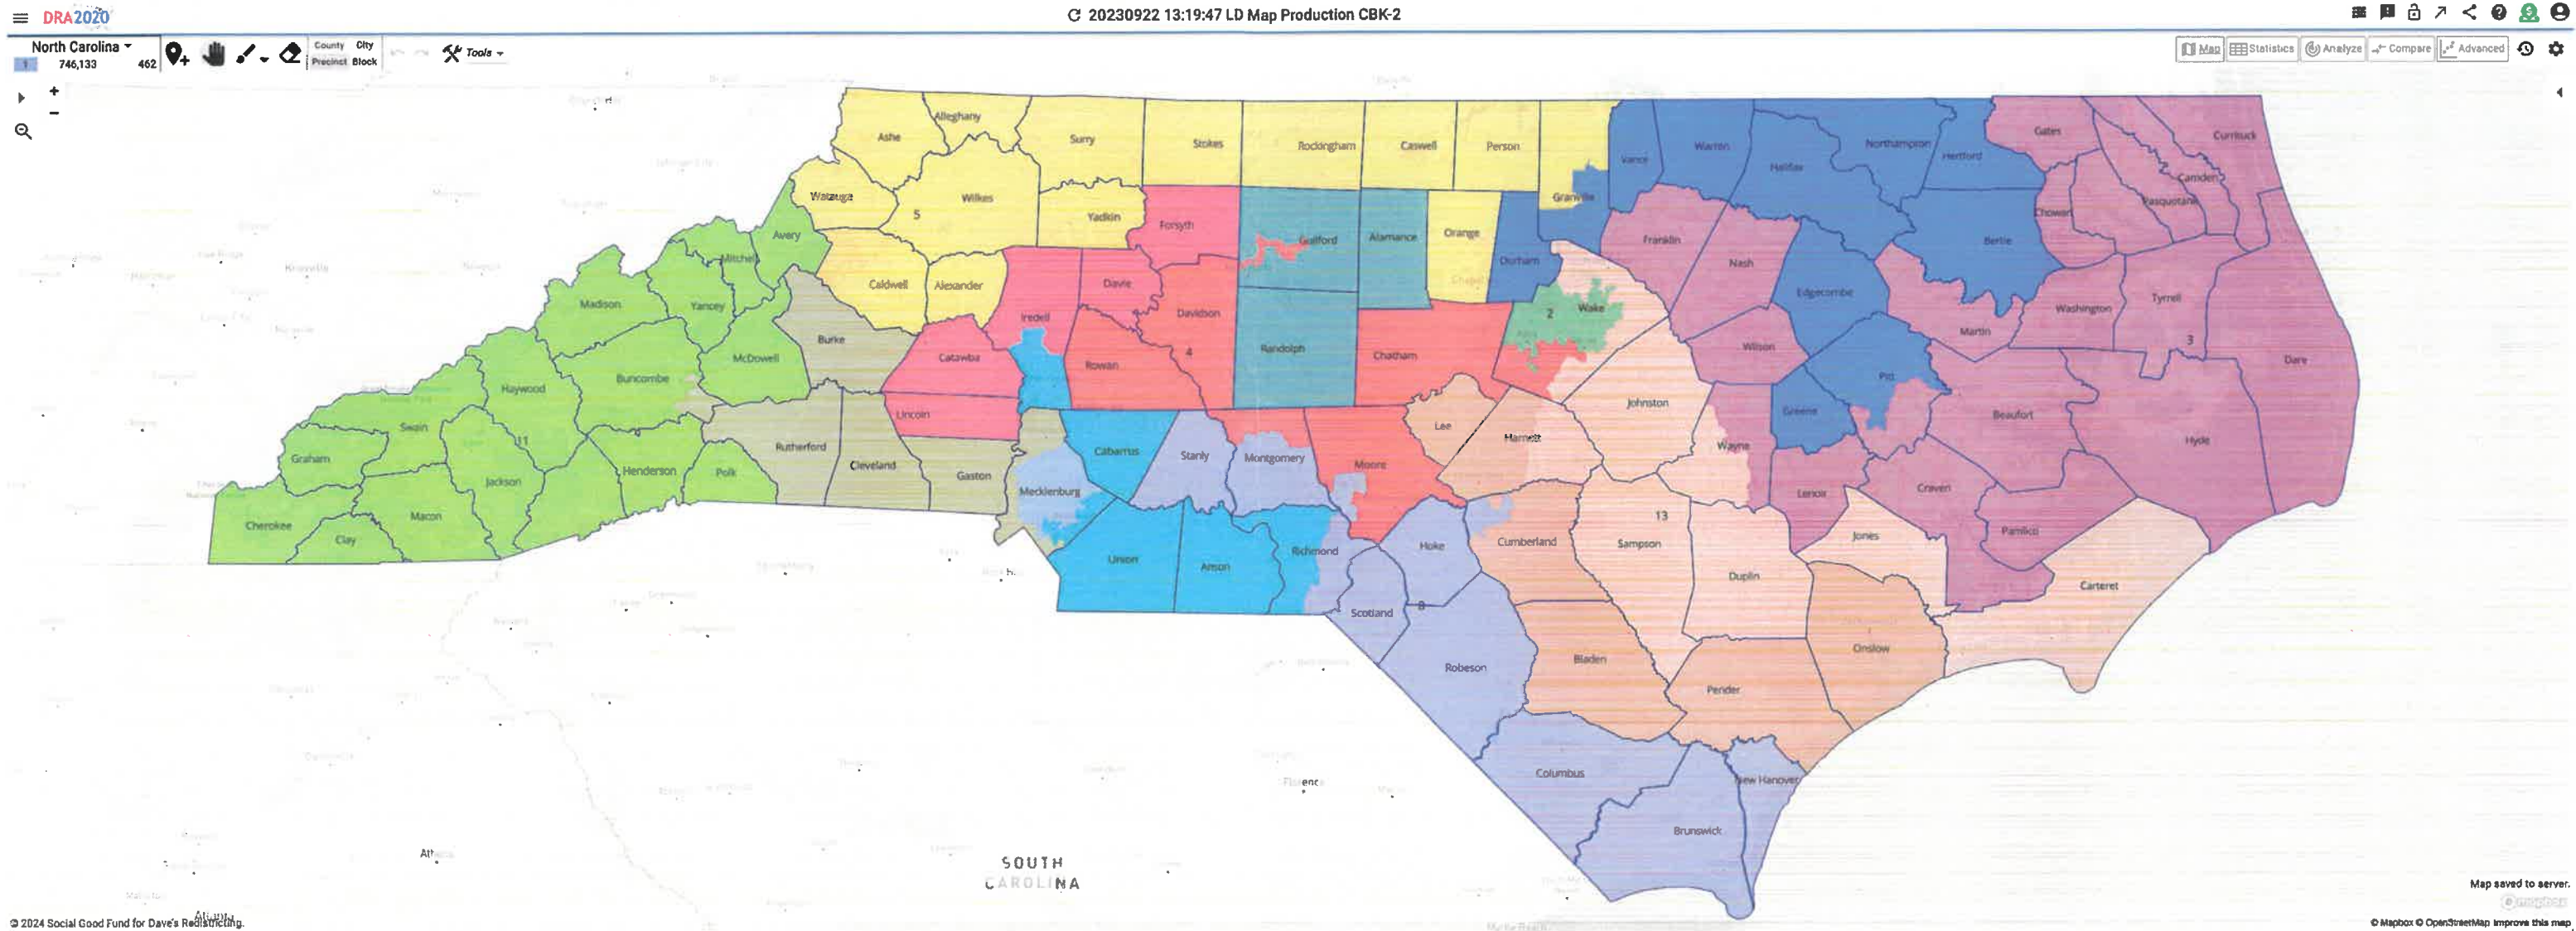

14 Q. And if you compare this with the one we were  
15 looking at in Exhibit 44, you can see just a few --  
16 there's a border change between 39 and 42, and that  
17 you added a little notch into -- you added some space  
18 into 39 from 42, right near where 40 also is coming  
19 in; do you see that?

20 A. So we did -- it appears we did at the top of  
21 42, and then also down -- about a third of the way  
22 down the district.

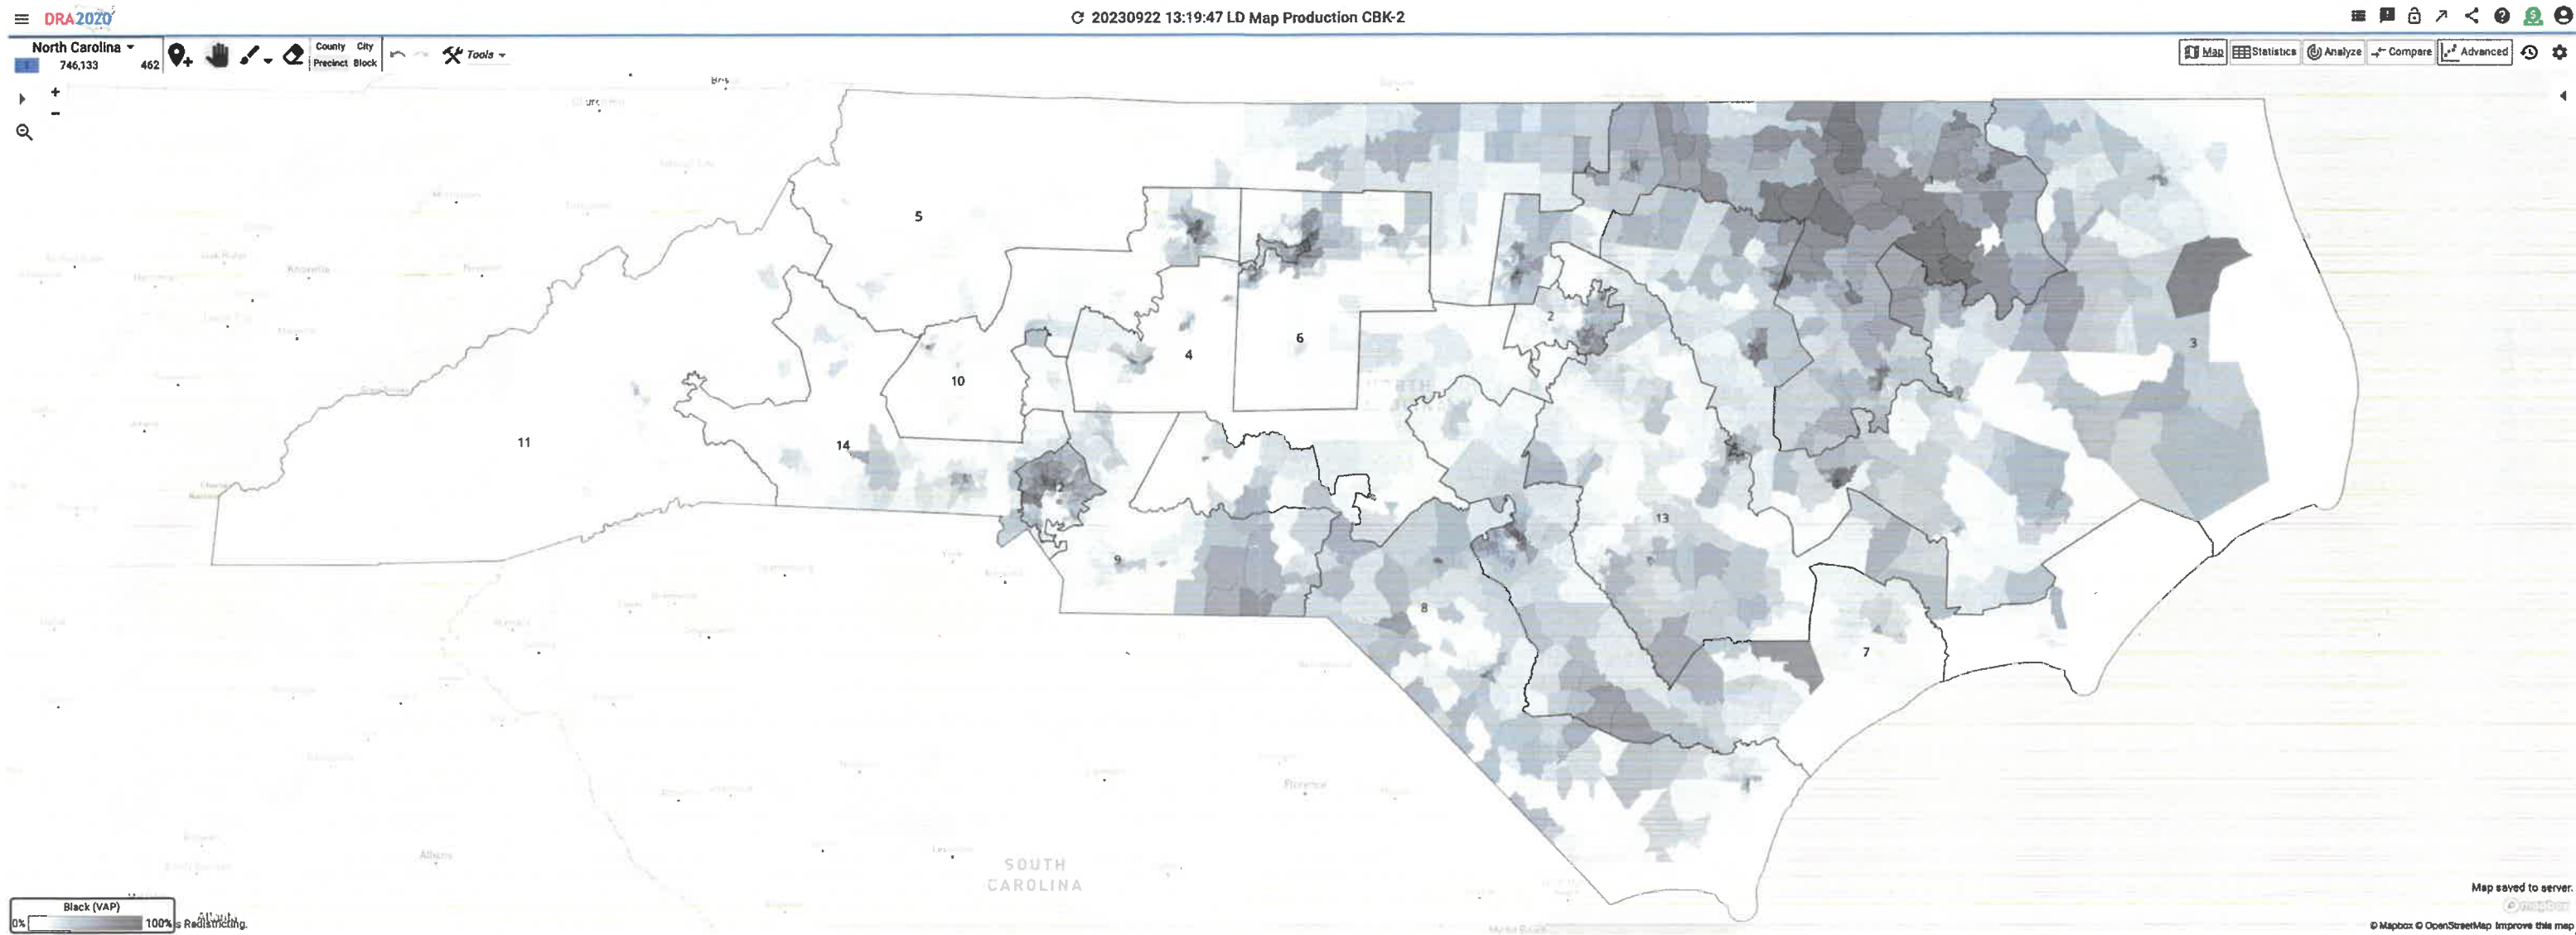

23 Q. Do you know why that adjustment was made?

24 A. Not specifically. I will say that, again,  
25 it's likely that that is looking at election
